Children who are interested in playing volleyball for the '09 season need to put the following dates/times on their calendars. This particularly applies to 7th and 8th grade athletes who want to be considered for "A" team play.

SUMMER VACATION IS NOT CONSIDERED AN EXCUSED ABSENCE FROM PLAYER EVALUATIONS FOR 7TH AND 8TH GRADE ATHLETES. IF YOUR CHILD IS UNABLE TO ATTEND THE PLAYER EVALUATIONS, HE/SHE WILL BE PLACED ON THE "B" TEAM! NO EXCEPTIONS!

*Player evaluations will take place for 5th grade athletes if there are enough players to comprise two teams, both boys and girls. Teams are divided with equal talent on both teams. Athletes generally remain on the same team for both 5th and 6th grade.

** 6th grade teams generally stay intact from the '08 season. The player evaluation will only take place if there are new athletes who register to add to either the boys or girls teams.

7th and 8th grade player evaluations will take place to divide players onto an "A" and "B" team. Players will be placed on teams according to the talent that is demonstrated at the player evaluations. To be considered for "A" team play, a player MUST be present at the player evaluation.

Volleyball Open Gym will take place on Sat, Aug 15th , from 10am-12pm and Sun, Aug 16th , from 4-6pm. This is for any Christ King volleyball player who is interested in warming up, scrimmaging, etc. prior to the player evaluations. THIS IS ONLY FOR PLAYERS REGISTERED TO PLAY CHRIST KING VOLLEYBALL! If enough athletes participate, double nets will be set up to accommodate the players.

General Information

Practices: 5th and 6th grade teams have 2-75 minute practices each week and 7th and 8th grade teams have 2-90 minute practices each week. Athletes will be contacted by their coaches following the player evaluations and the coach will advise the athlete of the days/times that they will practice.

Games: 5th-8th grade boys generally play league games on Friday evenings. 5th and 6th grade girls generally play league games on Saturday mornings and 7th and 8th grade girls generally play league games on Saturday afternoons. 5th and 6th grade teams have the opportunity to play in two additional tournaments and 7th and 8th grade teams have the opportunity to play in three additional tournaments. Individual coaches are responsible for securing tournament play and registration.

Player/Parent Commitment: Players are responsible for attending all practices and games. Parents are responsible for providing/arranging for their children to and from all practices and games. The same level of commitment is expected of all players, regardless of the team the child is assigned to. Please take the commitment to play volleyball seriously and encourage your child to do so as well.

Coaching: Volunteer parent/family coaches are vital to the success of our volleyball program. If you are interested in coaching a 5th-8th grade girls or boys volleyball team, please call (414-774-7974) or email (andersml@sbcglobal.net).

Communication: My preferred method of communication is email. PLEASE ensure that an accurate email address is provided on your Sign-Up Form if you are interested in receiving general information as the volleyball season progresses. Coaches will provide you with information that is specific to your team.
