2646 SWAN BOULEVARD
WAUWATOSA, WI 53226

Dear Friend of Christ King Parish:

In the autumn of each year, the Athletic Association asks the entire parish for support of the athletic programs at Christ King. We are again making our special appeal to you to join the Christ King Booster Club so that we can continue to provide support to our parish youth.

Perhaps you are not aware of this important fact: The Christ King Athletic Association is completely self-funded. We draw no funds from the parish budget; in fact, we contribute a significant portion of our annual profits to the parish every year. That is why your direct financial support of the program is so very important.

As more children participate in our various programs, our expenses continue to rise. This is only partially offset by our fees and fundraising. The Athletic Association will again organize and support volleyball, basketball and track teams for boys and girls in 5th through 8th grades. Our expenses this year include league fees, uniforms, tournament fees, equipment, supplies, as well as gym improvements. For example, our new bleachers, newly-designed gym floor, and now our new ceiling and painted walls are all improvements funded solely by the revenues raised by the Association and the generous direct contributions of parishioners like yourselves. Your continued support of our programs is still essential.

There are three Booster Club level options:

- (1) A \$25 donation to become a Booster Club Member.
- (2) A \$50 donation to become a Silver Cavalier Club Member and receive a family pass to games during the 2011-2012 season that are held in the Christ King Gym.
- (3) A \$100 or more donation to become a Golden Cavalier Club Member and receive a family pass to games at Christ King plus be acknowledged in the Christ King tournament programs.

Your support of the athletic programs is important to the parish and its youth. Thank you for participating.

Sincerely,

Tom Hrdlick, Chair
Jane Pfaff, Treasurer
